ESD T-shirt with crew neck, Eco Line, black, L, 125 g/m²

Experience comfort and protection in perfection with the SafeGuard ESD T-shirt in black. This exclusive garment made from high-quality cotton has been specially developed to prevent electrostatic discharge and protect your sensitive components. The round neckline and short sleeves make it comfortable to wear, while the discreet ESD logo on the left sleeve underlines the technological claim. The SafeGuard ESD T-shirt is available in clothing size XS and is suitable for both men and women. With a typical surface resistance of 10^6 Ohm to 10^8 Ohm, it meets the strict requirements of DIN EN 61340-5-1 and is also Oeko Tex certified. The blend of 96% cotton and 4% carbon fiber not only guarantees optimum conductivity, but also a light and airy feel.
