

ESD shorts black, 128 g/m², 5XL

The ESD trousers from Safeguard protect against damage to sensitive electronic components and are used in ESD zones (EPA). The trousers are short and in the color black, with a fabric weight of 128 g/m² and is made of a high quality material mix and consists of 74% cotton, 24% polyester and 2% carbon fiber. The trousers have a straight cut and a back pocket with ESD logo, a side pocket and a tool pocket on the leg. Typical leakage resistance is 10⁶ ohms - 10⁷ ohms - electrostatic discharges are safely dissipated and damage to electronic equipment and components is prevented. The ESD pants meet the requirements of DIN EN 61340-5-1 and are available in different sizes.
