Weller Erem® Pliers are designed to ensure an accurate and sure grip every time. Manufactured with uncompromising Swiss quality and created for worldwide applications, including electronics assembly and healthcare, Weller Erem Pliers are built to last. The signature high-performance pliers set the industry standard with their built-in Weller Erem Magic Spring™ providing over 1 million constant closing and re-opening force movements. With other state-of-the-art advanced features, including High-Precision Screw Joint, and Maximum Opening Stop Technology, Weller Erem Pliers provide the longest durability, highest precision and best quality on the planet. Feel the difference with Weller Erem® – the proven choice. Every time.

The Weller Erem Series 2400 Magic Sense is a range of medium-sized precision cutters that combines robustness, visibility and accessibility. A large variety of head shapes for precision work in hard-to-reach areas. The optimized ergonomic shape of the Series 2400 MagicSense prevents hand fatigue. These cutters are manufactured from improved induction-hardened cutting edges up to 64 – 65 HRC for an extremely long service life. The cutting edges are made from special tool steel. The precision cutters have a nonreflecting surface, are ESD safe and resharpenable.
