

## Bit Professional square 1/4" (06637), #1 - 2.3, 50 mm, pack of 5

Bit Professional Square 1/4" (06637), #1 - 2.3, 50 mm, pack of 5 from Wiha was developed for professional applications in electronics production. The technical advantages include Meets your requirements: Robust and precise-fitting bits for general screw fastening in trade or industry, Saves time: Simple and quick recognition of the profile size thanks to high-contrast laser marking and Increases your efficiency: Best concentricity properties for stable screwdriving processes. This makes this model ideal for continuous use in series production and precision assembly processes.

- Meets your requirements: Robust and accurately fitting bits for general screw connections in trade or industry
- Saves time: Simple and quick recognition of the profile size thanks to high-contrast laser marking
- Increases your efficiency: Best concentricity for stable screwdriving processes
- application: For all kinds of screw connections in trade and industry.
