

Screwdriver with bit magazine LiftUp 25 magnetic mixed with 12 bits, 1/4" (38600)

- Simplifies your work: Large handle - Maximum power
- Protects your health: no risk of injury, all bits are safely stored inside the handle
- Increases your efficiency: 90% less volume, 80% less weight - 100% efficiency
- Increases your flexibility : standard bits are also suitable for machine operation
- It is not uncommon for mobile applications to require a screwdriver with a specific profile, but which the craftsman does not have at hand. The Wiha screwdriver with the LiftUp 25 bit magazine puts an end to this, because with just one tool you have 12 different drives at your fingertips anytime and anywhere. The LiftUp thus replaces a whole set of screwdrivers. At the push of a button, the bit magazine moves out at the end of the handle and releases the 25 mm bits with 1/4" drive for removal. The included standard bits can be used for both manual and machine operation. Thanks to its large volume, the ergonomically shaped two-component handle ensures optimum power transmission and maximum torque values. Powerful screwing or unscrewing of screws is therefore particularly easy to handle
- application: The alternative to the screwdriver set. Ideal for screwing in mobile use. \$1 x Bit Standard 25 mm Phillips 1/4" (01657) PH11 x Bit Standard 25 mm Phillips 1/4" (01658) PH21 x Bit Standard 25 mm Phillips 1/4" (01659) PH31 x bit standard 25 mm Pozidriv 1/4" (01688) PZ1>1 x bit standard 25 mm Pozidriv 1/4" (01689) PZ21 x bit standard 25 mm Pozidriv 1/4" (01690) PZ31 x bit standard 25 mm slot 1/4" (01623) 4.51 x bit standard 25 mm slot 1/4" (01626) 6.51 x bit standard 25 mm TORX® 1/4" (01717) T151 x Bit Standard 25 mm TORX® 1/4" (01718) T201 x Bit Standard 25 mm TORX® 1/4" (01719) T251 x Bit Standard 25 mm TORX® 1/4" (01721) T30

Item no.	WL52306
Model	380302020
Alternative article name	380302020
Manufacturer	WIHA

Products for the electronic industry

Manufacturer article no.	38600
GPSR manufacturer data	Wiha Werkzeuge GmbH Obertalstraße 3-7 DE-78136 Schonach www.wiha.com
