

Bit Set T-Bit 25 mm square (#2) 5-piece 1/4" in Box (41622)

- Reduces your costs: Bit can be found quickly and easily thanks to blue colour marking - with UV light even in dark environments.
- Saves time: No long searching thanks to brightly coloured bit, short bit change time thanks to long service life
- Increases your efficiency: The specialist with 120x longer service life* due to optimised bit for T-shaped screws. (*in comparison to Wiha standard bit)
- Until now, when buying bits, it was not clear which bits were suitable for which application. Wiha puts an end to the complexity between the machine used, the screwing case and the large selection of different bits. Thanks to Wiha's revolutionary bit concept, the shape of the screw is the only factor that determines the choice of the right bit. This makes the T-bit ideal for screwing T-shaped screws with a 90° angle between the thread and the screw head. Thanks to the patented, extended torsion zone, the bit is also suitable for impact and impact wrenches and has a 120 times longer service life compared to Wiha standard bits. In addition, the coloured bits can be found quickly and easily and, thanks to the colour coating, are also easy to find in the dark with UV light. This reduces the number of lost bits and saves the cost of purchasing new ones.
- application: Suitable for screwing T-shaped screws. Also suitable for impact and impact wrenches.

Alternative item description	7018T902
item number	WL52498
model	7018T902
manufacturer	WIHA
manufacturer item number	41622
scope of supply	5 x T-Bit 25 mm square 1/4" #2

order unit	1 set
content unit	1 set
product series	7018 T
VDE	no
type of screw	inner square
ESD safe	no
packaging mass	set
square socket	#2 / 2,8"
tool length	25 mm

Other versions

item number	square socket
WL52497	#1 / 2,3"
WL52498	#2 / 2,8"
WL52499	#3 / 3,3"
