

## Bit set T-bit, hexagonal (SW3), 5 pcs. 1/4" in box (41650), 50 mm

Bit set T-bit, hexagon (SW3), 5-piece 1/4" in box (41650), 50 mm - developed by WIHA, stands for precise workmanship and a long service life. The bit set is ideal for work on electronic assemblies where precise torque and repeatable results are required.

- Reduces your costs: Bit can be found quickly and easily thanks to blue colour marking - with UV light even in dark environments.
- Saves time: No long searching thanks to brightly coloured bit, short bit change time thanks to long service life
- Increases your efficiency: The specialist with 120x longer service life\* due to optimised bit for T-shaped screws. (\*in comparison to Wiha standard bit)
- Until now, when buying bits, it was not clear which bits were suitable for which application. Wiha puts an end to the complexity between the machine used, the screwing case and the large selection of different bits. Thanks to Wiha's revolutionary bit concept, the shape of the screw is the only factor that determines the choice of the right bit. This makes the T-bit ideal for screwing T-shaped screws with a 90° angle between the thread and the screw head. Thanks to the patented, extended torsion zone, the bit is also suitable for impact and impact wrenches and has a 120 times longer service life compared to Wiha standard bits. In addition, the coloured bits can be found quickly and easily and, thanks to the colour coating, are also easy to find in the dark with UV light. This reduces the number of lost bits and saves the cost of purchasing new ones.
- application: Suitable for screwing T-shaped screws. Also suitable for impact and impact wrenches.

Item no.	WL52526
Model	7043T903
Alternative article name	7043T903
Manufacturer	WIHA
Manufacturer article no.	41650
GPSR manufacturer data	Wiha Werkzeuge GmbH

Products for the electronic industry

	Obertalstraße 3-7 DE-78136 Schonach www.wiha.com
Scope of delivery	5 x T-Bit 50 mm hexagon 1/4" SW3
Sales unit	1 set
Content unit	1 set
Incl. battery	no
Product series	7043 T
VDE	no
Screw type	SW3
ESD compliant	no
Packaging dimensions	set
Tool length	50 mm
