

Bit set TY bit, TORX® (T15), 5 pcs. 1/4" in box (42109), 29 mm

With the TY-Bit, TORX® (T15), 5-piece set 1/4" in box (42109), 29 mm, Wiha offers a robust solution for low-wear TORX® screw connections. A clear advantage lies in Reduce your costs: bits can be found quickly and easily thanks to red color marking - with UV light even in dark surroundings. Professional users benefit from the precise manufacturing, which guarantees an even and clean screw pattern.

- Red colour coding makes it quick and easy to find bits - even in dark environments with UV light.
- Saves time: No long searching thanks to brightly coloured bit, short bit change time thanks to long service life
- Increases your efficiency: The generalist with 120x longer service life* thanks to patented request technology, suitable for all screws. (*in comparison to Wiha standard bit)
- Until now, when buying bits, it was not clear which bits were suitable for which application. Wiha puts an end to the complexity between the machine used, the screwing case and the large selection of different bits. Thanks to Wiha's revolutionary bit concept, the shape of the screw is the only factor that determines the choice of the right bit. As an all-rounder, the TY bit is suitable for all types of screws, both T-shaped and Y-shaped, making it the ideal tool for screwing in all materials. Thanks to the patented, extended torsion zone, the bit is also suitable for impact and impact wrenches and has a 120x longer service life compared to the Wiha standard bits. In addition, the coloured bits can be found quickly and easily and, thanks to the colour coating, are also easy to find in the dark with UV light. This reduces the number of lost bits and saves the cost of purchasing new ones.
- application: Suitable for all types of screws. Also suitable for impact and impact wrenches.

Item no.	WL52564
Model	7015TY915
Alternative article name	7015TY915
Manufacturer	WIHA
Manufacturer article no.	42109
GPSR manufacturer data	Wiha Werkzeuge GmbH Obertalstraße 3-7 DE-78136 Schonach www.wiha.com
Scope of delivery	5 x TY-Bit 29 mm TORX® 1/4" T15
Sales unit	1 set

Products for the electronic industry

Content unit	1 set
Product series	7015 TY
VDE	no
Screw type	TX15
ESD compliant	no
Packaging dimensions	set
Tool length	29 mm
