

## Set of VDE-insulated ERGO™ screwdriver with 3-component handle for slotted and Pozidriv combination screws, 5 pieces

---

Maximum comfort with minimum effort due to the ergonomic design

- Set contains 5 screwdrivers for slotted screws, Phillips screws and plus-minus clamp screws
- Included are BE-8710S 5 mm/PZ1, BE-8720S 6 mm/PZ2 for slotted and Pozidriv screws
- Screwdriver developed in the course of the ERGO™ process
- Phosphated tip for greater precision ensures a precise fit and prevents flaking
- For work on live equipment up to 1000 V
- 3-component handle for maximum ease of use, soft material with rigid surface provides comfortable grip and better power transmission
- Practical three-component handle for optimum grip
- Maximum comfort with minimum effort due to the ergonomic design
- The correct blade can be easily identified by the colour marking and the symbol on the end of the handle
- Small diameter cylindrical stem helps to quickly tighten and loosen screws
- Optimal length of the handle neck: The fingers are always well positioned to turn the tool quickly and precisely
- Integrated suspension opening
- Flattened handle prevents rolling away
- High performance steel alloy, insulation sprayed directly onto the blade
- Individually tested and manufactured according to IEC 60900, tested in a water bath at

10,000 V

- In cardboard packaging
- Double pack with hanger with 2 screwdrivers
- New packaging concept
- Thermoformed insert, made in Spain
- Individually adapted carton for each set
- The product can be touched through the windows
