

Adjustable wrench "Sure Drive", 150 mm / 6"

- Sure-Drive jaws for reliable tightening, transferring torque to the face of the nut rather than the corners to prevent rounding
- Forged chrome vanadium steel for high strength and durability
- Matt chrome plated for extra strength and rust protection
- Extra heavy duty jaws - up to 18% wider than standard designs
- Metric and inch graduations for accurate jaw presetting
- Soft grip handle for comfort and better handling
- Opening capacity: 24 mm
- Length: 150 mm

item number	WL53833
model	T4365 150
