

Screwdriver with bit magazine LiftUp electric slot, Phillips, PlusMinus/Pozidriv with 6 slimBits (38611)

- Increases your security: Wiha slimBits ensure good and protected access to deep-lying screws
- Protects your health: no risk of injury, all blades safely stored inside the handle
- Increases your efficiency: Wiha LiftUp electric saves 75% volume, 50% weight, for 100% efficiency
- Offers you full protection: Each tool individually tested at 10,000 V AC and approved for 1,000 V AC
- The screwdriver with bit magazine LiftUp electric is the ideal companion for every electrician in mobile use. The bit depot stored in the handle offers space for 6 common simBits and can be removed from the magazine at the push of a button. This ensures easy removal of the bits. The proven ClicFix holder securely holds all bits and locks them reliably. This technology makes the bit magazine a universally applicable screwdriver. The magazine bit holder also offers the maximum possible safety. Both the magazine bit holder and the slimBits it contains are certified to the international IEC 60900 standard. The slim, 75mm long slimBits have protective insulation completely integrated into the front of the bit, giving perfect access to deep-set screw or spring terminals. A further plus point is the rotating cap, which ensures convenient handling.
- standards: Tested according to IEC 60900
- Application: Suitable for bolting in the area of live parts up to 1,000 V AC, especially in mobile applications.
 - 1 x Bit slimBit electric Phillips (34583) PH1 x 75 mm
 - 1 x Bit slimBit electric Phillips (34584) PH2 x 75 mm
 - 1 x Bit slimBit electric PlusMinus/Pozidriv (34590) SL/PZ2 x 75 mm
