Support stand for HAKKO desoldering pump FR 300 / FR 301 / 808

The C1100 is a stable storage stand in which you can conveniently place your HAKKO desoldering pump FR-300 / FR-301 or your HAKKO desoldering gun 808. The angle of the holder can be adjusted using the wing nut to make it even easier and quicker to put the desoldering gun back into the holder. The C1100 holder from Hakko is supplied with a cleaning sponge.
