

Lange ERGO™ Flat nose pliers with two-component grips and chrome finish, 180 mm, industrial packaging

With precise tips for secure gripping in hard-to-reach areas

- ERGO™ Two-component handles: thermoplastic surface on hard polypropylene for a better grip
- Long flat nose pliers, developed in the course of the ERGO™ process
- With an opening spring integrated in the handle (on/off function)
- High Speed Steel
- Chrome-plated, rust protection treated
- With precise tips for secure gripping in hard-to-reach areas
- Especially suitable for gripping flat material
- Maximum comfort with minimum effort due to the ergonomic design
- Comfortable 2-component handle for optimum grip
- The articulated position allows greater leverage
- When the spring is activated, the handles open automatically
