

## Tool box with castors, with 8 drawers, red, 693 mm × 510 mm × 955 mm

---

The E72 Storage HUB is designed to provide a market-leading level of security and performance in a slim model. The innovative, robust housing is the heart of the E72 HUB. The discreet design with rounded corners, shock-absorbing corner bumpers and the new round key locking system ensures optimum security in any working environment.

- Robust workshop trolley with 8 drawers, based on a double-walled construction
- Fully opening drawers with smooth sliding ball bearing runners with a load capacity of up to 30 kg
- The rubber wheels ensure maximum stability and easy manoeuvrability of the workshop trolley even on uneven surfaces
- Various optional accessories can be attached to the holders in the side panels.
- Resistant and secure locking system with central locking protects against theft of the contents
- Scratch-resistant powder coating outside and inside for best possible rust protection

- The edge protection on the sides protects against injuries and damage to objects in the surrounding area
- The double-walled housing protects against collisions, so that the drawers can still be opened
- An extensive range of Fit&Go tool sets in foam inserts is available
