

## Workshop trolley C75 of the Classic series with 6 drawers and side cabinet, black, 986 mm × 501 mm × 1100 mm

Classic workshop trolley 40" with cupboard and 6 drawers, black. Various accessories available for the worktop or sides.

- Extra large workshop trolley with 6 drawers and additional cupboard on the side
- Lock & Go! Locking system prevents unintentional opening of the drawers when the trolley is moved
- Fully opening drawers with smooth gliding ball bearing runners and 30 kg load capacity
- Scratch-resistant powder coating
- Double-walled housing: The double-walled housing protects in case of collisions, so that the drawers can still be opened.
- Sturdy steel construction: the double-walled housing is reinforced with welding spots at important points
- Work surface with anti-slip coating
- Sturdy handle, can be attached to both sides of the workshop trolley

- Resistant and secure locking system with central locking protects against theft of the contents
- Silent rubber rollers 150 x 50 mm with 2 brakes for maximum stability: 2 fixed and 2 rotating rollers with brake
- Internal dimensions of the drawers:
  - (2 x) 881 x 445 x 53 mm
  - (3x) 881 x 445 x 118 mm
  - (1x) 881 x 445 x 184 mm
- Available in different colours
- Wide range of accessories available for the worktop or sides
- Replace the standard non-slip coated worktop with stainless steel, MDF or chestnut wood panels according to your requirements
- The Fit&Go system offers ready-to-use tool sets in foam inserts for your drawers
