

Stainless steel tool box with castors and 7 drawers, 40", 995 mm × 501 mm × 1100 mm

The classic tool Bahco S75 is a trolley model with roller wheels. This trolley has a robust construction with rounded corners for maximum protection without sharp edges. The safe and intelligent Lock&Go system prevents the stainless steel drawers from opening when the tool trolley is moving. This tool can carry a high capacity due to its robust construction. It has a length of 650 mm, a width of 1260 mm and a height of 1200 mm.

- Fully extendable drawers with "Lock&Go!" locking system
- Robust and secure locking system with central locking protects against theft
- The safe and intelligent "Lock&Go!" locking system prevents the stainless steel drawers from opening unintentionally during the journey
- A wide range of Fit&Go tool kits with foam inserts are available
- Smooth-running and quiet rubber wheels
- The rubber wheels ensure maximum stability and easy manoeuvrability of the workshop trolley even on uneven surfaces

- Fully opening stainless steel drawers with smooth sliding ball bearing guide rails with a load capacity of up to 30 kg
- Double-walled, reinforced stainless steel frame with additional welding spots

Item no.	WL55040
