

Heavy duty side cutters BiCut® Classic with DynamicJoint® switchable

- Standards: Based on DIN ISO 5749
- Head shape: Half-round
- Design: Clever - BiCut replaces two pairs of pliers. Powerful - up to 50% less hand force required for cutting. Power - doubling of cutting force for extremely hard materials. Convenient - switchover through real one-hand operation. Robust and durable - inductively hardened cutting edges up to 64 HRC
- Material: Steel hard - drop forged from high quality C70 steel.
- Application: For cutting various materials from soft to extremely hard, such as cables, nails, screws, bolts, wire rope, spring wire, chains and many more.

Alternative item description	Z18020001
item number	WL55177
model	Z18020001
manufacturer	WIHA
manufacturer item number	38060
order unit	1 piece
content unit	1 piece
product series	Z 18 0 01
VDE	no
ESD safe	no
tool length	200 mm
type of side cutter	side cutter
