

Tool set ESD pliers, screwdriver, tweezers 9 pcs. in tool folder (43994)

- Meets your requirements: Selected equipment for the most common applications
- Simplifies your work: Sensitive work due to slim handle shape and twist cap
- Reduces your costs: Electrostatic dissipative tools protect electronic components from destruction
- Increases your efficiency: screwdriver handle size concept for an optimal balance between precision and control
- Application: The most important tools for hand assembly of electronic components and rework activities.
