

Surface-mounted light MACH LED PLUS.seventy-MQAL 42 N, L: 1070 mm, 20 W

The MACH LED PLUS.seventy machine and surface-mounted luminaire from Waldmann provides large-area illumination, whether as a tubular luminaire replacement or as initial equipment. With a diameter of 70 mm, 1070 mm length and the possibility of connection to 24 V or 100 / 120 / 220 - 240 V, it is the optimal solution for converting machines and production systems from conventional tubular luminaires to modern LED lighting technology.

- 42 x LED
- Colour temperature neutral white 5,000 K
- length: 1070 mm
- Glare control through Light Forming Technology
- Colourless anodised aluminium housing, black side parts made of high-performance plastic, 4 mm thick safety glass
- Mounting by means of various holders from the accessories
- Without switch
- Protection class IP67; protection class I
- Supplied without connection cable, connection via M12 plug connection
- Various holders, pre-assembled connection cables, M12 connection sockets that can be assembled and protective caps as accessories

Item no.	WL59988
Manufacturer	WALDMANN
Manufacturer article no.	113083000-00580684
GPSR manufacturer data	WALDMANN Lichttechnik Peter-Henlein-Straße 5 DE-78056 Villingen-Schwenningen www.waldmann.com
Length	1070 mm
Sales unit	1 piece
Content unit	1 piece
Material	Aluminium
Illuminance range	579-729 lx

Lamp or magnifying glass type	Surface mounted light
Luminous flux	1750 lm
Dimmable	no
Colour temperature	5000 °K
Power	20 W
Equipping	LED
Case colour	black
Protection class	1
Protection class	67 IP
ESD compliant	no
