Stacking frame for pallet trolleys "GREY EDITION", max. load 1200kg, height 370mm

For parking flat pallets and pallet cages at an ergonomically favourable height. Angle steel welded construction, with catch corners, sturdy support tubes with foot plates, can be inserted into corner sleeves on the stacking frame. Powder coated, anthracite grey RAL 7016. The stacking frames can be firmly bolted to the pallet chassis via the foot plates using a bolting set (included in delivery).
