

**Box trolley "GREY EDITION", max. load 750kg, wire mesh panelling, double wing door with espagnolette lock, 1200x780mm**

Angle steel construction with tubular push handle. End walls, 1 longitudinal wall and roof covered with wire mesh 40 x 40 x 4 mm, completely welded, powder coated. With double wing door made of angle steel with welded wire mesh on the open long side. With espagnolette lock with swivelling lever and cylinder lock. 1 fixed and 4 loose shelves made of load-bearing, flexurally rigid sandwich panels, surface medium grey. 2 swivel castors and 2 fixed castors, wheels with TPE tyres (thermoplastic elastomer), hubs with precision grooved ball bearings. Maximum comfort: very low starting, rolling and swivelling resistance. Low-noise running on even floors. Non-marking tyres. TOTALSTOP central braking system as standard on swivel castors. Load capacity per shelf 90 kg.
