

Paper roll holder, add-on kit for workshop trolley or for wall mounting, 240mm wide

Paper roll holder as attachment kit for sheet steel workshop trolley. Also suitable for direct wall mounting. Powder coated blue RAL 5007, suitable for paper rolls up to 210 mm diameter and 210 mm width. The serrated tear-off edge makes it easy to cut off individual pieces of paper. Mounting holes on the sides allow the additional mounting of one fetra disinfectant holder 1393 and one disinfectant bottle holder 1391 each (paper roll is not included). For models 2445, 2446, 2448, 2449, 2475, 2476, 2450/7016, 2452/7016, 2456/7016, 12450/7016, 12452/7016, 12456/7016, 5492, 5493, 5592, 5593, 5692, 5693
