

ESD bags, pink, permanently dissipative, zip closure, 50 µm, 102 x 152 mm, 100 pieces

The pink ESD bags from SafeGuard are the ideal solution for the safe packaging of products in ESD-protected areas. With their practical zip closure, they offer simple and effective dust protection. The bags are made of high-quality pink polyethylene and are printed with the ESD and recycle symbol, the lot number and the SafeGuard logo. They are amine-free, weldable and dissipative, which underlines their suitability for use in sensitive electronics environments. Measuring 102 x 152 mm and with a film thickness of 0.05 mm, they are available in a practical pack of 100. The zip closure makes the bags easy to open and reseal, while their dissipative properties ensure reliable ESD compliance. Ensure safe packaging of your products in ESD-critical environments with SafeGuard ESD bags.

- Polyethylene pink with ESD and recycle symbol, LOT-No.
- amine-free, weldable, conductive

Item no.	WL60802
Model	SG-BEZ-ROSA-ABL-0,05
Manufacturer	SAFEGUARD
Manufacturer article no.	SG-BEZ-ROSA-ABL-0,05-152X102
GPSR manufacturer data	Weidinger GmbH Hertha-Sponer-Str. 1a DE-82216 Gernlinden
Width	102 mm
Height	152 mm
Sales unit	1 PU
Content unit	100 piece
Colour	rose
Incl. battery	no
Film thickness	0,05 mm
Zip closure	yes
Packaging properties	dissipative
Resealable	yes
ESD certification according to IEC 61340-5-1:2016	yes
ESD compliant	yes
