

Dispensing needles, straight, stainless steel, gauge 21, purple, 10 pieces

The JBC product range includes various types of dispensing needles and conical tips for precise dispensing of different media. The ND21S6 made of stainless steel is recommended for solder paste type 3. All dispensing needles and tips are compatible with the manual solder paste dispenser DPM and the corresponding dispensing cartridges SB03CC and SB05CC. The scope of delivery includes a pack of 10 dispensing needles.

- Recommended for solder paste type 3
- Stainless steel dispensing needles
- Inner diameter: Gauge 21 / 0.51 mm
- 1 PU = 10 pieces
