

## PreciStrip16, automatic wire stripper, 195 mm, sales packaging

The PreciStrip16, automatic wire stripper, 195 mm, SB packaging from KNIPEX impresses with its precise workmanship and high functionality. Developed for professional applications, this tool enables effortless and clean stripping of a wide variety of conductors and strands. A patented automatic system regulates the cutting depth of the stripping blades. The zero point of this automatic system can be adjusted in fine increments for special application conditions (insulation material, temperature). With fixing eye, suitable for KNIPEX Tethered Tools accessories. Labelling field for individualization. With adjustable length stop for precise, repeatable work. Comfortable handling thanks to ergonomic two-component handle. Easily replaceable blade cassette. The robust design and ergonomic shape ensure comfortable handling and a long service life. An indispensable tool for electricians, technicians and anyone who wants to carry out precise and efficient work in the field of cable processing.

- A patented automatic system regulates the cutting depth of the stripping blades.
- The zero point of this automatic system can be adjusted in fine steps for special operating conditions (insulating material, temperature).
- With fastening eye, suitable for KNIPEX Tethered Tools accessories
- Labelling field for individualisation

- With adjustable length stop for precise, repeatable work
- Comfortable handling due to ergonomic two-component handle
- Easily replaceable blade cartridge

<b>Item no.</b>	<b>WL61334</b>
Model	12 52 195 SB
Manufacturer	KNIPEX
Manufacturer article no.	12 52 195 SB
GPSR manufacturer data	KNIPEX-Werk Oberkamper Strasse 13 DE-42349 Wuppertal-Cronenberg www.knipex.de
Length	272 mm
Width	115 mm
Height	27 mm
Length with packaging	272 mm
