

Cable cutter (ratchet principle) for steel-armored cables (SWA cables), painted black, 315 mm

Cable cutter cuts steel-reinforced cables up to a diameter of 45 mm / 380 mm² (e.g. 4 x 95 mm²) in one and two-hand operation. Easy handling due to low weight (800 g) and compact design (315 mm length) - can also be used in confined spaces. Cutting edges with precision grinding and induction hardened cutting edge cut smoothly and cleanly without crushing. Innovative three-speed gear rim drive with high transmission ratio. With stand to rest on while cutting. Not suitable for steel wire, wire ropes and fine-stranded (highly flexible) conductors. - Cutting value Cu-cable, stranded: 380mm² - Cutting value Cu-cable, stranded: Ø 45mm - MCM: 750

- Easy handling due to low weight (800 g) and compact design (315 mm length) - Can also be used in confined spaces
- Cutting edges with precision grinding and induction hardened cutting edge cut smoothly and cleanly without crushing
- Innovative three-speed gear rim drive with high transmission ratio
- With stand to rest on during cutting
- Not suitable for steel wire, wire ropes and fine-stranded (highly flexible) conductors

item number	WL61905
model	95 32 315 A
manufacturer	KNIPEX
manufacturer item number	95 32 315 A
length	307 mm

width	140 mm
height	30 mm
length with packaging	420 mm
width with packaging	200 mm
height with packaging	36 mm
Packaging volume	3.024 dm ³
order unit	1 piece
content unit	1 piece
type of packaging	single pack
RoHS conform	no
surface	black lacquered
VDE	no
ESD safe	no
tool length	315 mm
type of handle	With multi-component sheaths
Cutting value copper cable, multistranded	380 mm ²
Cutting value copper cable, multistranded (diameter)	45 mm
