

Assortment box wire end ferrules, fully insulated, 4.0 to 16 mm², 100 pieces

For the reliable termination of fine-stranded conductors, Knipex range boxes with insulated cable end sleeves, 4 to 16 mm², fully insulated, gray/yellow/red/blue, 100 pieces offer an excellent way of securing cable ends mechanically and electrically. A key feature is the handy, transparent crimping box, which ensures a reliable electrical connection even under continuous load. Rotatable lid with opening for removing individual ferrules ensures even pressure build-up during crimping and prevents contact loss. Thanks to careful manufacturing, these ferrules are ideal for both manual and automated crimping processes. These wire end ferrules are therefore an ideal choice for use in switch cabinet construction, machine installation or industrial maintenance.

- Handy, transparent dispenser box
- Rotating lid with opening for removing individual wire end ferrules
- With insulated ferrules according to DIN colour code
- Size: Ø 90 mm, height 44 mm

Item no.	WL62152
Model	97 99 907
Manufacturer	KNIPEX
Manufacturer article no.	97 99 907
GPSR manufacturer data	KNIPEX-Werk Oberkamper Strasse 13 DE-42349 Wuppertal-Cronenberg www.knipex.de
Length	90 mm
Width	90 mm
Height	44 mm
Length with packaging	90 mm
Width with packaging	90 mm
Height with packaging	44 mm
Volume with packaging	3.018 dm ³
Scope of delivery	50x grey 4 mm ² 20x yellow 6 mm ² 20x red 10 mm ² 10x blue 16 mm ² Assortment box
Sales unit	1 piece
Content unit	100 piece
Incl. battery	no
