

CutiX® universal knife

Reliable companion with unique blade stabilization: no unintentional bending or breaking of the blade; Robust, durable magnesium housing: light as plastic, strong as die-cast aluminum; Firmly seated blade thanks to high-quality blade lock: secure fit when cutting, pushing and scraping; Original equipment with high-quality Japanese blades, two replacement blades in handle drawer, can be changed without tools; Flat, ergonomic sliders separately for blade and stabilizing rail, no accidental actuation of the sliders; Unique blade stabilization: apply targeted pressure without risk of injury, no unintentional bending or breaking of the blade.

item number	WL68537
model	90 10 165 BK
manufacturer	KNIPPEX
manufacturer item number	90 10 165 BK
length	165 mm
width	40 mm
height	19 mm
length with packaging	246 mm
width with packaging	86 mm
height with packaging	21 mm
order unit	1 piece
content unit	1 piece
type of packaging	single pack
product series	CutiX®
