

LED table lamp Tricolor

Thanks to adjustable brightness and different colour temperatures, you can easily find the optimal settings for your eyesight with the LED table lamp Tricolor by Daylight. With its large and highly visible switches, the Tricolor is not only aesthetically pleasing but also easy to use. The large 16.5cm diameter shade provides excellent light distribution, while the brightness can be adjusted via the dimmer push button switch.

- Daylight (6,000 K), cold light (4,000 K) or warm light (2,700 K) adjustable
- CRI 95+ for faithful color rendering at any time of day or night
- Large shade with 16.5 cm diameter
- Large, highly visible pushbutton switches
- Arms and shade adjustable for perfect positioning
- Uniform light diffusion prevents shadows
