

LED floor lamp Electra

Adjusting the colour temperature at the touch of a button is no problem with Daylight's flexible and user-friendly Electra LED floor lamp with its discreet design and matt black finish.

- Shapely floor lamp with matt black finish
- 3 colour temperatures adjustable: daylight (6.000 K), cold light (4.000 K) (4,000 K), warm light (2,700 K)
- Slim and discreet design
- Flexible arm and rotatable shade for perfect positioning
- Wide light diffusion and easy brightness adjustment with infinitely variable dimmer
- Anti-glare shade is easy on the eyes and directs the light to the desired spot
- CRI 95+ for excellent clarity and faithful colour rendering at any time of day or night
