

ESD polo shirt with breast pocket, 150g/m², black, XXS

The ESD polo shirts PRO from SafeGuard impress with their outstanding quality and functionality. With a breast pocket for practical storage options and the ESD logo on the sleeve, they set new standards in terms of ESD protection. The polo collar and button placket give this black polo shirt an elegant touch. Made from 96% cotton and 4% carbon fiber, it offers not only comfort but also reliability in the ESD area. With a fabric weight of 150g/m², the ESD polo shirts PRO from SafeGuard are pleasantly light yet hard-wearing. The discharge resistance of 10⁵ - 10⁷ ohms ensures optimum protection against electrostatic charging. Whether in electronics production or other sensitive areas - you are always well protected with this polo shirt. Discover the first-class combination of comfort, functionality and style with the ESD polo shirts PRO from SafeGuard. Rely on quality and safety - rely on SafeGuard.

- washable up to 40°C

Item no.	WL69234
