

ESD extraction arm system DN100 for wall mounting, 2 joints, black, 795 mm

- Air volume max = 400 m³/h
- 2 joints made of polypropylene (PP)

item number	WL69324
manufacturer	ALSIDENT
manufacturer item number	100-55-2-6
GPSR manufacturer information	Alsident system A/S Finlandsvej 10 DK-8450 Hammel www.alsident.com
order unit	1 piece

content unit	1 piece
product series	Alsident System 100 AS
number of joints	2
range	795 mm
diameter of tube	100 mm
air volume extraction arm	140 – 400 m ³ /h
assembling	wall mounting
joint colour	black
ESD safe	yes
