

## Pliers set Professional electric Combination pliers, needle nose pliers, diagonal cutters 3-pcs. (26852)

---

- Lowers your costs: Durable thanks to high-quality, chrome-plated plier surface to prevent corrosion
- Increases your safety: Wiha combination pliers enable safe, non-slip gripping in all work situations
- Protect your health: Special DynamicJoint® design reduces effort required for cutting
- Increases your efficiency: Wiha needle nose pliers with extra-long plier head for inserting low-lying components
- Offers you full protection: Each tool individually tested at 10,000 V AC and approved for 1,000 V AC
- Safety is the top priority when users are working on live parts. The Professional electric plier set supplies the perfect basic equipment for electricians and other electricity specialists. Wiha needle nose pliers with an extra-long plier head are eminently suitable for inserting low-lying components. Wiha combination pliers provide a safe, non-slip grip in all work situations. Also contained in the set, the diagonal cutters impress as a universal

cutter to slice soft and hard wires. Its Special DynamicJoint® design also reduces effort required for cutting. The ergonomically shaped multi-component handles with anti-slip protection also ensure users can work safely and comfortably. Thanks to their chrome-plated plier head, they are also protected against rust. These pliers undergo routine individual piece testing as per the international IEC 60900 standard, thus providing users with a tool to work safely on live parts up to 1,000 V AC

- Standards: Manufactured acc. to IEC 60900
- Application: For work in the area of live parts up to 1,000 V AC
