

## ESD Polo-Shirt long sleeve, black, unisex, 2XL

The high-quality, electrostatically dissipating unisex ESD T-shirt from Warmbier is ideal for ESD-protected work areas. It consists of an electrostatically dissipative cotton blend fabric, is breathable and is characterised by its pleasantly light wearing characteristics. The T-shirt is marked with an ESD label on the sleeve. In addition, the T-shirt is machine washable up to 40°C. It meets the requirements of DIN EN 61340-5-1.

- Knitted fabric with conductive fibres
- With conductive cuffs
- Breathable
- Machine washable up to 40°C

Item no.	WL70557
