

Screwdriver set 1060 i/1065 i/6 Kraftform VDE, 6 pieces

High-quality Kraftform VDE screwdriver set. Multi-component Kraftform handle for fast and gentle working. The Wera Black Point tip and a complex hardening process guarantee long usability of the tip, increased corrosion protection and exact fitting accuracy. Unit test at 10,000 V for safe working at the approved voltage of 1,000 V. The hexagonal roll-off protection prevents annoying rolling away at the workplace. With handle marking for easier finding and sorting of the tool.

- Multi-component Kraftform handle for quick and gentle work
- Individually tested
- With handle marking for easier finding and sorting of the tool
- With hexagonal anti-roll feature to prevent it from rolling away
- The Wera Black Point tip offers a precise fit and optimized corrosion protection
