

## Plunger for JBC solder paste dispenser DPM-B

The JBC solder paste dispenser DPM is a precise tool for the controlled dispensing of solder paste in electronic applications. The plunger for this dispenser ensures consistent and reliable dispensing of paste, resulting in improved quality of solder joints. Thanks to its robust construction and ease of use, the plunger is ideal for use in professional environments. It is specially designed for the JBC solder paste dispenser DPM and helps to increase the efficiency of soldering work. Visit [Weidinger.eu](http://Weidinger.eu) for more information and to optimize your soldering processes.

Item no.	<b>WL70958</b>
Model	0029247
Manufacturer	JBC
Manufacturer article no.	0029247
GPSR manufacturer data	JBC Soldering SL Ramón y Cajal 3 ES-08750 Molins De Rei <a href="http://www.jbctools.com">www.jbctools.com</a>
Sales unit	1 piece
Content unit	1 piece
Incl. battery	no
ESD compliant	no
