

## TubiX® XL Pipe cutter, Ø 6 - 76 mm

Spring-loaded QuickLock quick-fixing: independent holding and clamping on the tube. Precise and fast: exact positioning of the cutting wheel on the pipe. Comfortable: easy cutting due to high-quality needle bearings on the spring-loaded cutting wheel and in the guide rollers. Cuts pipes with Ø 6 - 76 mm (1/4" - 3") and wall thickness up to 2 mm. Cutting wheel made of high quality ball bearing steel. Practical quick-change system for the cutting wheel - with spare wheel in the handle knob. Lightweight and durable metal housing made of aluminum. With precisely ground deburrer, easy to remove. For plumbing, heating, air conditioning trades: for cutting gas and water pipes made of copper, brass and stainless steel. For electrical trades: for cutting steel armored pipes ("Stapa pipes") and for stripping SWA cables (Steel Wire Armored Cable). Lightweight and durable magnesium metal housing.

item number	WL71706
model	90 31 03 BK
manufacturer	KNIPEX
manufacturer item number	90 31 03 BK
length	260 mm
width	100 mm
height	42 mm

order unit	1 piece
content unit	1 piece
type of packaging	single pack
product series	TubiX®
ESD safe	no
