ESD fleece jacket with long zipper, unisex, navy blue/dark gray, XXL

The SafeGuard ESD fleece jacket with long zipper for women in navy blue/mint is more than just a piece of clothing. With its unique material composition of 96% polyethylene and 4% carbon, it not only offers warmth and comfort, but also an impressive surface resistance of 10^5 - 10^6 ohms. This jacket has been specially developed for use in environments with high electrostatic requirements.
The FL1 fabric ensures a comfortable feel and an optimal fit, while the long zipper makes it easy to put on and take off. The combination of functionality and style makes this jacket an indispensable companion for anyone who not only wants to look good, but is also looking for safety and quality.
With the SafeGuard ESD fleece jacket, you are not only optimally protected against electrostatic discharge, but also make a fashion statement. Treat yourself to the best in ESD clothing and experience how comfort, protection and style merge perfectly. Invest in your safety - invest in SafeGuard.

• washable up to 40°C

Item no.	WL71885
Model	SG-FC-MBDG-FL-L40-uni
Manufacturer	SAFEGUARD
Manufacturer article no.	SG-FC-MBDG-FL-L40-UNI-XXL
GPSR manufacturer data	Weidinger GmbH Hertha-Sponer-Str. 1a DE-82216 Gernlinden
Sales unit	1 piece
Content unit	1 piece
Colour	grey, navy blue
Gender	unisex
Typical surface resistance (Rpp)	10^5 Ohm -10^6 Ohm
Zipper	yes
Size	XXL
Material composition	96% polyethylene, 4% carbon fiber
ESD certification according to IEC 61340-5-1	yes
ESD compliant	yes
