

ESD fleece jacket with long zip, unisex, black/grey, 3XL

The innovative ESD fleece jacket from SafeGuard for women in the stylish colors navy blue/green perfectly combines functionality and style. Made from high-quality FL1 fabric with a material composition of 96% polyethylene and 4% carbon, this jacket not only offers ultimate comfort, but also reliable protection in environments with high electrostatic requirements.

The sophisticated design with long zipper combines practicality with a touch of elegance, while the versatile navy blue/green color combination adds a modern look.

With the SafeGuard ESD fleece jacket, you are not only optimally protected against electrostatic risks, but also make a fashion statement. Experience comfort, protection and style in one garment and underline your professionalism in any situation. Choose quality and innovation - choose SafeGuard.

- washable up to 40°C

Item no.	WL71895
