

ESD fleece jacket with long zipper, ladies, navy blue/mint, M

Safeguard presents the ESD fleece jacket with long zip in a stylish navy blue/orange design - a unisex model that makes no compromises when it comes to electrostatic discharge capability. The jacket is made from high-quality FL1 fabric, which has a material composition of 96% polyethylene and 4% carbon. This innovative blend guarantees not only comfort and freedom of movement, but also outstanding performance in environments with high electrostatic requirements.

. It combines functionality with style, creating a perfect symbiosis for professionals working in electronics manufacturing or other demanding industries.

Rely on Safeguard to give you the safety and protection you need without sacrificing comfort and style. Get your ESD fleece jacket today and experience the quality and performance that only Safeguard can provide.

- washable up to 40°C

Item no.	WL71928
Model	SG-FC-MBMI-FL-L40-W
Manufacturer	SAFEGUARD
Manufacturer article no.	SG-FC-MBMI-FL-L40-W-M
GPSR manufacturer data	Weidinger GmbH Hertha-Sponer-Str. 1a DE-82216 Gernlinden
Sales unit	1 piece
Content unit	1 piece
Colour	green, navy blue, mint
Incl. battery	no
Gender	women
Typical surface resistance (Rpp)	10 ⁵ Ohm -10 ⁶ Ohm
Zipper	yes
Size	M
Material composition	96% polyethylene, 4% carbon fiber
ESD certification according to IEC 61340-5-1:2016	yes
ESD compliant	yes
