ESD fleece jacket with long zipper, ladies, navy blue/mint, L

Experience maximum comfort and optimum protection against electrostatic discharge with the ESD fleece jacket from Safeguard. The innovative model for women in navy blue and pink not only impresses with its attractive design, but also with its outstanding properties. Thanks to the FL1 fabric and the material composition of 96% polyethylene and 4% carbon, the jacket offers a unique combination of comfort and functionality. The surface resistance of 10^6 - 10^7Ohm ensures reliable protection in environments with high electrostatic requirements.
Choose the ESD fleece jacket from Safeguard and benefit from the highest quality, modern design and optimum safety. Show style and professionalism in every situation - with Safeguard you are always well protected and well dressed.

• washable up to 40°C

Item no.	WL71929
Model	SG-FC-MBMI-FL-L40-W
Manufacturer	SAFEGUARD
Manufacturer article no.	SG-FC-MBMI-FL-L40-W-L
GPSR manufacturer data	Weidinger GmbH Hertha-Sponer-Str. 1a DE-82216 Gernlinden
Sales unit	1 piece
Content unit	1 piece
Colour	green, navy blue, mint
Gender	women
Typical surface resistance (Rpp)	10^5 Ohm -10^6 Ohm
Zipper	yes
Size	L
Material composition	96% polyethylene, 4% carbon fiber
ESD certification according to IEC 61340-5-1	yes
ESD compliant	yes
