ESD fleece jacket with long zip, ladies, navy blue/green, S

The ESD fleece jacket with long zipper from Safeguard combines functionality and style in an unmistakable design. In the timeless colors navy blue and grey, this model is an absolute must-have for anyone who has to meet the highest electrostatic requirements. Thanks to the innovative material composition of 96% polyethylene and 4% carbon, this jacket not only offers unbeatable wearing comfort, but also impresses with a surface resistance of 10^6 - 10^7Ohm. This guarantees optimum protection against electrostatic discharge and is ideal for use in sensitive areas.
Whether in the laboratory, in electronics production or in other demanding environments - with the ESD fleece jacket from Safeguard you are always perfectly equipped. Make a statement in terms of safety and style and opt for quality you can feel. Treat yourself to the best and invest in your safety with Safeguard.
