

ESD fleece jacket with long zip, ladies, navy blue/green, 5XL

The SafeGuard ESD fleece jacket with long zipper for women in navy blue/mint is more than just a piece of clothing. With its unique material composition of 96% polyethylene and 4% carbon, it not only offers warmth and comfort, but also an impressive surface resistance of 10^5 - 10^6 Ohm. This jacket has been specially developed for use in environments with high electrostatic requirements.

The FL1 fabric ensures a pleasant feel and an optimal fit, while the long zipper makes it easy to put on and take off. The combination of functionality and style makes this jacket an indispensable companion for anyone who not only looks good, but also values safety and quality.

With the SafeGuard ESD fleece jacket, you are not only optimally protected against electrostatic discharge, but also make a fashion statement. Treat yourself to the best in ESD clothing and experience how comfort, protection and style merge perfectly. Invest in your safety - invest in SafeGuard.

In addition, we now offer you the option of customizing your workwear. Whether with your

Products for the electronic industry

company logo or another motif, we will implement your wishes and make your jacket unique. You can find more information at <https://www.weidinger.eu/de/individuelle-bedruckung>
