

## Soft-face hammer recoilless with hickory wood handle, round striking head 45, 380mm (02096)

Meets your needs: yellow head / medium hard: e.g. for tool and machine construction, automotive repair, sheet metal and assembly work.

Simplifies your work: easier work and optimum impact effect with reduced effort.

Protects your health: Recoilless hammering minimizes the strain on joints, tendons and muscles.

Lowers your costs: ergonomic hickory wood style and hammer heads each available separately as replacement parts.

Application: Ideal for metered positional blows, such as on workpieces in a machine vise or during assembly work. Medium hard hammer heads perfectly suited for tool and machine building, automotive repair and sheet metal and assembly work.

GS-approved.

- Blister packaging: No
- ESD Article: No
- Diameter hammer head: 45
- Hammer head height: 130 mm
- Total length (mm): 380 mm
- with battery: No
