

L-key set in ProStar holder hexagon 13 pcs. bright nickel plated inch version (25610)

Facilitates handling: sliding function for one-handed opening of the holder and easy, quick removal.

Increases your efficiency: improved accessibility due to short leg.

Application: For common inch screws.

Extra: Space-saving ProStar allows easy removal of each individual wrench without moving others.

Blade: Chrome vanadium steel, through hardened, bright nickel plated.

In accordance with ASME B18.3.
