Ring ratchet open-end wrench set 13 pcs. reversible incl. holder (44661)

Increases your efficiency: screwing without setting off thanks to fine-toothed ring ratchet.
Increases your flexibility: Right-/left-handed rotation variably adjustable by switch lever.
Simplifies your work: With practical holder for clear storage and easy removal.
Increases your efficiency: improved accessibility in narrow places thanks to 15° jaw position and double hexagonal ring ratchet.
Application: For installation and assembly work.Especially suitable for working in tight places.
To open strongly tightened screws requires an enormous amount of force. With the ring ratchet open-end wrenches from Wiha, the user can easily get any screw connection open thanks to the leverage effect. In addition, the end with the jaw is ideal for countering screws and nuts. With a jaw position of 15°, the jaw end is perfect for working in tight places. When working with the ring ratchet, the user also has a short return angle thanks to the fine toothing with 72 teeth and, thanks to the double hexagon, maximum convenience

when working in confined working environments. At the same time, the right/left rotation can be variably adjusted by the integrated switch lever. Made of high-quality chrome vanadium steel, the ring ratchet open-end wrenches stand for durability and robustness, not least thanks to their corrosion-resistant and easy-to-clean surface. The set includes the 12 most common sizes from 8 to 19 mm, neatly stowed in a practical holder. The holder can be opened with just one hand to remove the appropriate size, while the non-slip surface provides a strong grip even in oily or wet working situations.
according to DIN 3124
Contents:
1x Ring ratchet open-end wrench reversible 8mm x 8mm (44641).
1x ring ratchet open-end wrench reversible 9mm x 9mm (44642)
1x Combination ratchet open-end wrench reversible 10mm x 10mm (44644)
1x Combination ratchet open-end wrench reversible 11mm x 11mm (44645)
1x Combination ratchet open-end wrench reversible 12mm x 12mm (44646)
1x Combination ratchet open-end wrench reversible 13mm x 13mm (44647)
1x Combination ratchet open-end wrench reversible 14mm x 14mm (44648)
1x Combination ratchet open-end wrench reversible 15mm x 15mm (44789)
1x Combination ratchet open-end wrench reversible 16mm x 16mm (44649)
1x Combination ratchet open-end wrench reversible 17mm x 17mm (44650)
1x Combination ratchet open-end wrench reversible 18mm x 18mm (44651)
1x Combination ratchet open-end wrench reversible 19mm x 19mm (44652)
1x Holder
