

Multitool PocketStar® TORX® 7-piece (23051)

Simplifies your work: The variable handle position allows power as well as quick screwdriving.

Increases your efficiency: The most common drive-offs arranged in one tool.

Saves time: Thanks to the simple operation, the required output can be used quickly.

Application: Practical folding holder for common TORX® screws in the workshop and on the road.

Extra: Sturdy housing with lift-out button for easy selection of the desired blade.

Handle: Ergonomic, fiberglass reinforced housing, 95 mm long.

Blade: Chrome vanadium steel, through hardened, electroplated.
