

Pin wrench set in ProStar holder Stubby TORX® ball head 14 pcs titanium silver (40979).

Simplifies your work: ball head facilitates access to screws and allows you to work at angles up to 25°.

Protects your health: reduces the risk of injury by increasing the hand working space.

Makes handling easier: Sliding function for one-handed opening of the holder and simple, quick removal.

Reduces your costs: Long service life thanks to ideal corrosion protection with perfect fit in the screw.

Application: Especially for hard-to-reach Torx screws and tight spots.

Application: Torx ball head enables screwing at an angle of up to 25°.

Application: Reduction of the pin wrench head height by up to 15% enables better accessibility.

Application: Reduction of the risk of injury to knuckles and fingertips due to 95° bend of the pin wrench.

Footnote: TORX® ball end from size T9 onwards.
