

Pica DRY Longlife Automatic Pen

Pica DRY

- Longlife Automatic Pencil
- The only construction marker with effective dust and moisture protection
- Push-button as peak cap and shaft with sealing ring for maximum all-round protection against external influences
- Permanently reliable hold
- Its new "Power-Lock" mechanism inside is a milestone in development : The duration of the lead's holding power has been tripled, thereby noticeably improving the longevity of the product again
- The special graphite lead allows markings on almost all material surfaces, whether dry or damp, smooth or rough, dusty or oily
- Can be wiped off smooth surfaces with a damp cloth
- A wide range of possible uses thanks to special colored leads: for light or dark surfaces, water-soluble or waterproof
- Practical case saver with special clip, for perfect one-hand operation
- Patented: the integrated sharpener in the quiver protector - always at hand
- NEW with "Longlife Cap made of fatigue-free material, including: Longlife Clip: strong & permanent attachment to trouser pockets and Longlife sharpener: for long-term use
- Now with roll stop
- High-quality pressure mechanism for automatic lead feed in the stainless steel tube
- Leads can be easily refilled from behind
- Extremely durable and sustainable thanks to high-quality workmanship and refillability
- 10 pieces in a box for long-term use
- Now with roll stop
