Pica Fine Dry Markers

Pica Fine-DRY
• Longlife Automatic Pencil 0.9
• Precision without sharpening
• The special mine diameter of just 0.9mm is ideal for fine and precise marking, without sharpening
• With effective protection against dust and moisture: Push-button as a cap and sealing ring on the shaft
• Its integrated large eraser allows markings to be corrected in a flash
• Sustainable as it can be refilled with different refills
• Equipped with 5 graphite leads in HB
• High-tech pressure mechanism for automatic lead feed and for long-lasting lead holding power
• Practical sleeve saver for perfect one-hand operation with extra strong clip for long-lasting use

Item no.	**WL73314**
